*SEND ME TO THE GLAMOUR ©: Due to the recent fascination with glam rock 70's bands like Abba, Penny Pincher has decided the time has come for resurgence of the genre. She has advertised for applicants to form a musical group. Dance ability necessary, looking good in neon spandex and metallic wigs essential, musical talent a plus, but not required. The hopefuls have gathered & it's down to the finalists - but there are more than Penny needs. Who is going to make 'the cut'?! ©*
